

17.01.22	LI: To empathise by considering the thoughts and feelings of people who met Jesus.	
<b>Intervention: GG V M</b> <b>CHALLENGE- What do you believe about Jesus? I.e. Do you believe in miracles?</b> <b>Religious Education</b>		○

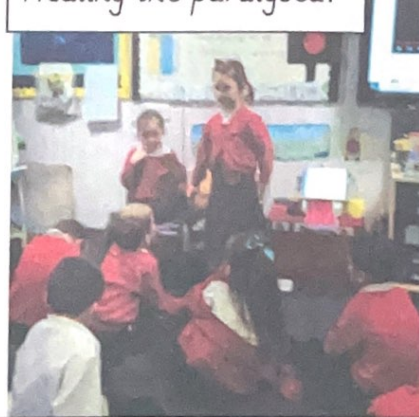

Christians believed that Jesus performed miracles and healings during his life. We have been learning about some of these miracles and asking questions to the people that Jesus healed.

Making the blind man see.

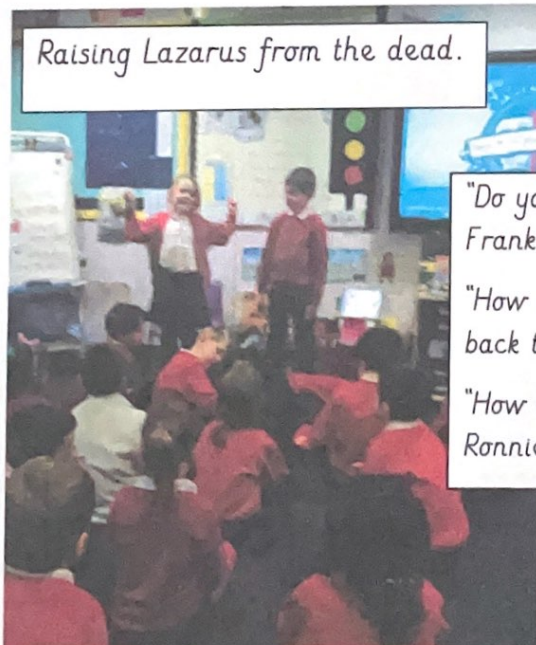

"Did Jesus heal you?" Zakaria.  
 "How did Jesus heal you?" Reggie.  
 "Can you see now?" Keeva.

Healing the paralysed.

"How could you walk?" Alexander.  
 "Are you going to walk home?" Teddy.  
 "Will you feel better?" Molly.

Raising Lazarus from the dead.

"Do you remember us now?" Frankie.  
 "How did Jesus bring you back to life?" Sophie.  
 "How do you feel now?" Ronnie.

My question:

"Why did some bad  
guys killed Jesus?"

Kimberly made a jet engine.  
'It has a nose and lights.'  
Almans  
'You wouldn't have those a long  
time ago. They had squawks.'  
Almans made a squawker

Name	Kimberly, Almans	Date	2/13/22
Subject	Math	Grade	2

# The Easter Story

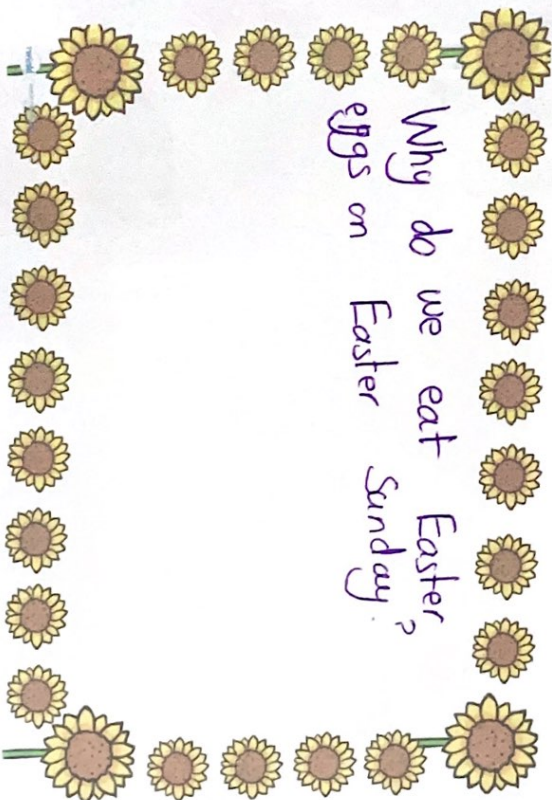

5

cards in order.

My question: Bible - Louise.

Why do we eat Easter eggs on Easter Sunday?

21.2.22	LI: To investigate Jesus' teachings by looking at parables.

# THE LOST SHEEP

5, 96, 97, 98, 99...

It's about the man he's lost his sheep.

Here you are!

Yay!! I am going to carry you home.

Woohoo!

Celebrate with me because I found my lost sheep.

Key meaning: God knows each of us by name and looks after us like a shepherd cares for his sheep.

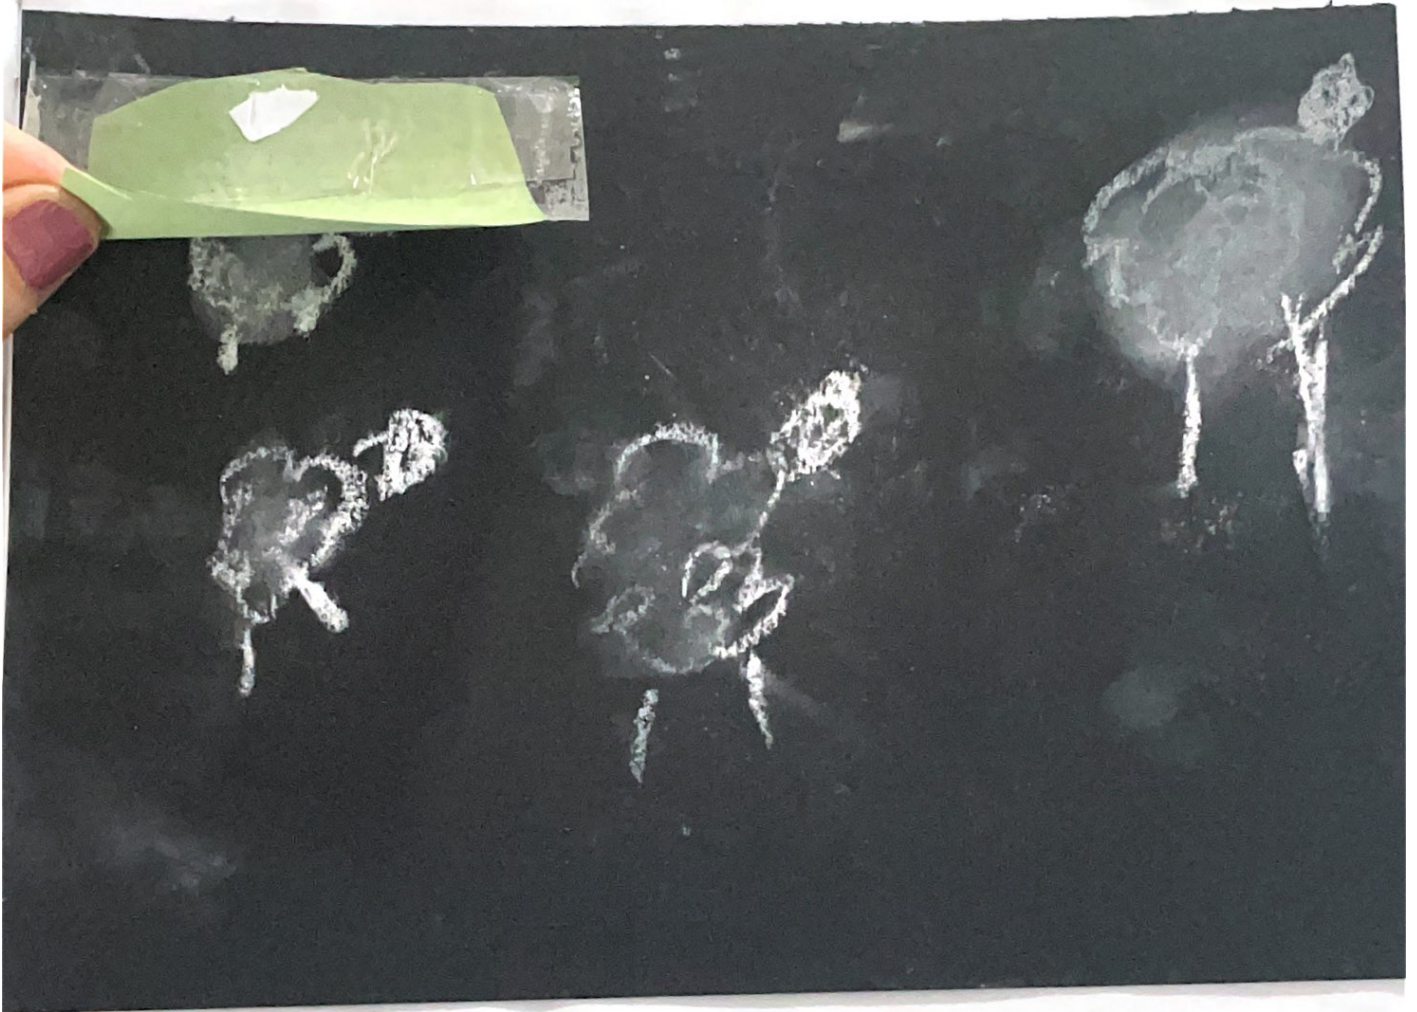

16.3.22

**LI:** To express the meaning behind parables using art work.

**Intervention:** GG V M

**CHALLENGE-** How might the ideas in Jesus' parables help you or others?
