Inspiring Learning, Unlocking the Future

Spring Term

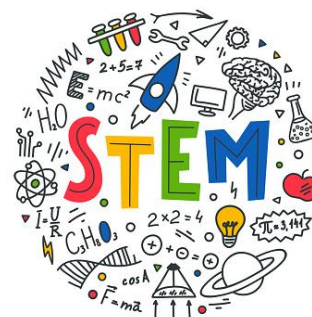

Newsletter No. 20

Friday 10th February, 2023

Dear Parents and Carers,

STEM Week

What a fantastic STEM week it has been! The children have explored how to make ice cream, changing states of matter, how different ingredients (and methods of freezing) change the flavour and texture of ice cream and that liquid nitrogen is an AMAZING substance! Today we had a science show that really wowed us – we saw our scientist freeze a flower, explode a metal pipe with ice, and fire teddy bears into the roof! Boom! He also made instant ice cream with liquid nitrogen!

Kylie Grimes

On Tuesday 28th February, Paralympic athlete, Kylie Grimes will be visiting the school. She'll lead a sponsored fitness session with children from Reception – Year 6 and then she will tell us about her career as a gold medal winning athlete. The aim of the event is to inspire the pupils to be more physically active, but just as importantly, to encourage them to discover and pursue their passion in life. All children should now have a sponsorship form. Sponsorship forms are also available digitally at www.sportsforschools.org – this keeps everything paperless and cashless. Children will need to come into school in PE kits on Tuesday 28th.

On Monday 20th February we are welcoming back Mrs Elston from maternity leave – we are very excited to have Mrs Elston back leading our COIN Centre.

We wish you a happy half term and we will see everyone back on Monday 20th February.

Mrs Elizabeth Killin
Headteacher

·HAPPY·
Valentine's
Day

Upcoming Events

THESE ARE SOME OF THE DATES FOR THIS TERM

Monday 13th - Friday 17th February – Spring Half Term

Wednesday 22nd February – Year 5 visit Therfield to watch Bugsy Malone

Wednesday 22nd February - 6pm Year 6 SATs information meeting for parents

Thursday 23rd February – Year 1 trip to Brooklands Museum

Thursday 23rd February – Year 6 Junior Citizen Event

Thursday 23rd February – Year 5 and 6 Football Match at Eastwick School

Monday 27th February – Year 2 trip to Brooklands Museum

Tuesday 28th February – Kylie Grimes visiting the school

Friday 3rd March – World Book Day (Official WBD is 2nd March, but we are celebrating on 3rd)

Tuesday 7th March – Parents Afternoon/Evening

Tuesday 14th March - Year 1 9am Phonics workshop for parents

Tuesday 14th March - Year 5 and Year 6 visit to the science museum

Tuesday 21st March –Year 2 9am SATs information meeting for parents

Christian and Learning Values

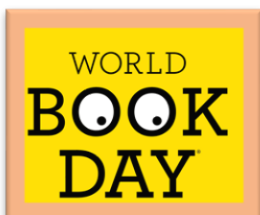

Well done to the following children who received a values award this week:

Commitment: Megan L (Hawk), Tawheed C (Kestrel), Isra A (Commitment), Zack S (Oak), Reece S (Chestnut), Rafael D (Badger), Rowan M (Squirrel), Ada T (Hedgehog), Zakaria-Hussain H (Fox), Kurt R (Maple)

Perseverance: Tawheed C (Kestrel), Khushi A (Squirrel)

Curiosity : Ava S (Badger)

World Book Day

On Friday 3rd March (and Tuesday 28th Feb for Nursery) we will be celebrating World Book Day.

Your child can choose to dress up as a book character and / or bring a potato decorated as a book character. We would like to invite all parents in at the beginning of the day, to read with your child in their classroom. During the day the children

will be taking part in a variety of activities to promote a love of reading

Attendance

Class	Week Ending 13/01/23	Week Ending 20/01/23	Week Ending 27/01/23	Week Ending 03/02/23	Week Ending 10/02/23
Bumblebee	97%	96.8%	100%	94.4%	96.00%
Ladybird	84.45%	92.4%	85.60%	88.8%	91.20%
Hedgehog	93.15%	86.5%	89.60%	91.75%	93.50%

100 % Attendees	263	266	253	259	270

Congratulations to Fox class once again who win the prize bag and the hamster. We are pleased to see all classes in the 90%'s this week. Don't forget the children only need to attend the first 7 days after half term to win the February wrist band. There is NO inset day on Monday 20th February, 2023.

Have a lovely half term

Mrs Gray
Deputy Headteacher

In KS2 this week, our spelling groups took part in a spelling bee- revising the spellings they've been learning this half term and taking part in a competition to see who could spell them correctly.

It was fantastic to see everyone taking part and a big congratulations to our winners:

Mrs Winteridge's group- **Wakil S**
Miss Brown's group- **Oleksandra L & Maciee T**
Mr Gatley's group- **Angela H**
Mrs Harrison's group- **Tawheed C & Anna K**
Miss Deacon's group- **Karim A, Mason V, Shariq R & Victor F**

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Inclusion Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).

Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 1st September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted.

In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that the Local Authority issue Penalty Notices when the absence is not authorised.

Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 7 or more unauthorised sessions in the previous 6 school weeks, which may include a pupil arriving late after close of registration.

If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

Fine Diners

Winners this week:

Jack B, Maciee H, Lucy T, Maryam A, Finley J, Maryam H, Elouise P and Carly S

Well Done!

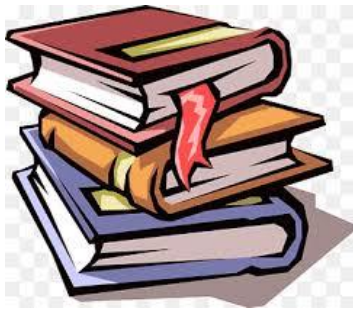

Words of the Week

Vocabulary!

As a school, we have done lots of work with the children on developing their vocabulary. Each week we share our words of the week (linked to our topic and curriculum learning) and unpick what they mean. We use the word in different contexts, find synonyms, act them out, draw pictures and many more strategies to help us to remember them.

Developing children's vocabulary really impacts their speaking skills as well as their reading and writing. Listed below are next week's words of the week so you can discuss these with your children at home!

Words of the week next week:-

Year 5 and Year 6 – Corruption and Vulnerable
Year 3 and Year 4 – Carbon Dioxide and Population
Year 1 and Year 2 – Transparent and Opaque
Reception – Cloudy and Windy

Top Classes for using TTRS this week

1st Oak
2nd Badger
3rd Fox

Highest number of coins this Year

1st Mason V
2nd Shariq
3rd Abel

Most Improved Studio Speed

1st Tireni
2nd Ezra
3rd Abel

Numbots (Key Stage 1) – highest number of coins earned this year

1st Nam
2nd Arthur
3rd Emilia

Congratulations for passing the next stage on Numbots: Ava

HOUSE POINTS

Bumblebee Class Learning

This week Bumblebee class have taken part in science week. We started off the week with a visit from the ice cream man. Yum! As a class, we decided to make ice lollies. We have explored flavours, colours and changes of state of matter. We have been learning how to cut fruit carefully and mix flavours to give our taste buds some new experiences!

This week we were visited by Amy, who led a drama workshop. We enjoyed learning how to be imaginative with our play, build our confidence and to just be a little bit silly! Amy was even able to teach us how to say hello and goodbye in a new language...banana...banana.

Miss Cameron
Class Teacher

Fox Class Learning

What a busy week in Fox class! We started the week off with a whole day of art. We created monoprints inspired by Ming dynasty blue and white vases. We learnt all about the technics involved in monoprinting and carefully designed our prints to include many of the features seen in Ming pottery.

In literacy and guided reading, we started a new book called 'The Colour of Home'.

In the story Hassan is a refugee from Somalia who feels isolated because he can't speak the same language as his peers. We took turns to role play Hassan as

our friends asked us questions about our new lives away from home. We

will use all our ideas to create our own stories about what happens to Hassan after the end of the book.

Due to it being science week a lot of our learning has been themed around ice cream. We learnt how an ice cream van makes its ice-cream and even got to try some. It was delicious!

We also created our own chocolate ice cream by using salt and ice to freeze milk. We learnt that increasing the salt meant the ice melted faster and drew out heat quicker from the milk, which caused the ice-cream to freeze in less time. In addition to that we learnt the importance of shaking the ice-cream because it allowed the fat in the milk to stick together. It was tiring shaking the bags but definitely worth it for the yummy ice-cream.

On top of science week and the nonprinting, we had internet safety day and got to explore Times Table Rock stars for the very first time. We also completed a drama workshop as a class. We acted as lion tamers, clowns, acrobats, jugglers and immersed ourselves in the world of the circus.

See you next term!
Mr Buffrey
Class Teacher
