Inspiring Learning, Unlocking the Future

Autumn Term
Newsletter No. 04

Friday 30th September, 2022

Dear Parents and Carers,

I have been privileged this week to tour potential new parents around the school and it always makes me proud to see the children being so welcoming and polite to visitors. The work the children are doing is inspiring them to really try hard and they are learning lots of new things. Please have a look at the class pages if you want to know more about what the children are learning and remember there are homework clubs available for children in KS2. We had a new Sports Coach start with us this week, George Duckworth, is working in school on Wednesday, Thursday and Fridays and he is leading some small group work, some whole class PE teaching, lunch clubs and three after school clubs. The children are really enjoying working with Mr Duckworth and a small group of dedicated pupils have also helped him sort out our PE cupboard – thank you team!

Thursday 6th October

Next Thursday is Census day, which is a day when school budgets are set. It is essential on this day that all the children in KS1 and EYFS have a school lunch, as this directly impacts our school budget. We will therefore be giving every child in those Key Stages a school lunch on Thursday 6th October. There is a special and delicious menu on that day so it is a great opportunity to let your child try out school lunches if they normally have a packed lunch. If you are worried about your child not enjoying the lunch then please feel free to send them with some packed snacks as well. This has no cost impact as these meals are universally free. Thank you for your support with this.

Cross Country

Next Friday, some KS2 children are taking part in the Cross Country Event at the King George V Field Effingham. For this event, we need parents to take the children to and from the venue and remain at the Field throughout to cheer the children on, there will also be staff from school at the event too. Mr Duckworth has been running Cross Country training events on our field this week so we know we have some excellent runners with great stamina!

Vacancies

Please check the Eteach website for details of the Learning Support Assistant vacancies and an Admin Assistant vacancy at the school at the moment – the closing dates for these positions are on the adverts and there is still time to apply. If you have any questions about these jobs, please contact the school.

Admin

If you haven't completed your child's collection details sheet, please can you hand this to the office or class teacher ASAP. Spare copies of the form are available from the office.

Have a lovely weekend

Words of the Week

Vocabulary!

As a school, we have done lots of work with the children on developing their vocabulary. Each week we share our words of the week (linked to our topic and curriculum learning) and unpick what they mean. We use the word in different contexts, find synonyms, act them out, draw pictures and many more strategies to help us to remember them.

Developing children's vocabulary really impacts their speaking skills as well as their reading and writing. Listed below are next week's words of the week so you can discuss these with your children at home!

Miss Chiarh
Assistant Headteacher

Words of the week next week:-

Year 5 and Year 6 – Treaty & Rationing

Year 3 and Year 4 – Salivary Glands and Molar

Year 1 and Year 2 – Perseverance and Resilience

Reception – Caring and Courageous

Fundraising in memory of Mr Chouls

A lot of you know, in February Trinity's site manager of 17 years passed away. In his final days he was cared for by the incredible staff at Princess Alice Hospice and his son is running the London Marathon this weekend to raise money for them in Mr Chouls' memory. If anyone would like to donate, please find the link below. Thank you!

Fine Diners Club

Last Week fine Diners 23/09/22

All diners have received a certificate and a special lunch for their lovely manners and respect in the dining hall!

This week's Fine Diners 30/09/2022

BUMBLEBEE LEARNING

Bumblebee class have been exploring “all about me” and understanding that we are all different. We have enjoyed making funny faces in mirrors,

watching our features change and trying to draw ourselves and our family.

In maths, we have been learning to subitise, using our “fast eyes” to recognise numbers. This is when we “don’t count, say the amount”.

This week we have started our new topic, “People that help us”. We have enjoyed playing the part of police officers in our new role play area and arresting bad guys (and teachers!). We have been watching videos and reading stories about the police, learning about what they do and how they help us in our community. We are also looking forward to a visit from the police in the next few weeks!

Mental Health Support at Hope

The Hope Service is a multi-agency service for young people aged 11-18 who are experiencing complex mental health, emotional, social and behavioural needs which could cause a placement breakdown or may require a Tier 4 hospital admission. These needs cannot be met by one agency alone. It is a joint partnership between Health Services, Children's Services and Education who work together to provide support to young people in the community and through day programme provision. At Hope there is a dedicated team of social workers, nurses, teachers, psychologists, art/drama therapists, psychiatrists, a systemic family worker and activity workers.

The Hope Service is based on 3 sites:

- Hope Epsom in West Park in Epsom
- Hope Guildford on Worpleston Road in Guildford
- Extended Hope in Redhill

Mental Health Crisis Support

They also have a crisis number if there is a mental health crisis which can be accessed by calling **0800 915 4644** and pressing option 1. This support is available 24 hours and 7 days a week. The crisis line will be answered by a trained call handler who are experienced in working with people with Mental Health difficulties.

The Emergency Duty Team (EDT) is still available after 5pm to offer help and support for children and young people with increased social care needs and safeguarding concerns. Please call **01483 517898**.
