

Geography Curriculum Overview for 2025 - 2026

Year group	Autumn Term 2	Spring Term 2	Summer Term 2
Year 3 and 4 Cycle B	<p align="center">Who lives in Antarctica?</p>	<p align="center">Why do people live near Volcanoes?</p>	<p align="center">Are all settlements the same?</p>
	<p>Children learn about how latitude and longitude link to climate and the physical and human features of polar regions with links to the explorer, Shackleton. Who Lives in Antarctica?</p> 	<p>Children learn that the Earth is constructed in layers, and the crust is divided into tectonic plates. They study the formation and distribution of mountains, volcanoes and earthquakes and use Mount Etna to identify how human interaction shapes a volcanic landscape. Why do people live near volcanoes?</p> 	<p>Children explore different types of settlements, land use, and the difference between urban and rural. Children describe the different human and physical features in their local area and make land use comparisons with New Delhi. Are all settlement the same?</p> 
Year 5 and 6 Cycle B	<p align="center">Autumn Term 2</p>	<p align="center">Spring Term 2</p>	<p align="center">Summer Term 2</p>
	<p align="center">Can I carry out an independent fieldwork enquiry?</p>	<p align="center">What is life like in the Alps?</p>	<p align="center">Would you like to live in the desert?</p>
<p>Children observe, measure, record and present their own fieldwork study of the local area. Can I carry out an independent fieldwork enquiry?</p> 	<p>Children consider the climate of mountain ranges and why people choose to visit the Alps; focusing on Innsbruck and looking at the human and physical features that attract tourists; investigating tourism in the local area and mapping recreational land use; presenting findings to compare the Alps to the children's own locality. What is Life Like in the Alps?</p> 	<p>Children explore hot desert biomes and learning about the physical features of a desert and how humans interact with this environment. Would you like to live in the desert?</p>
