

## What we are learning...

- **Reading:** The Iron Man, The Street Beneath our Feet, non-fiction books about settlements
- **Writing:** Newspaper article, narrative (The Iron Man) and non-chronological report Leatherhead/
- **Maths:** Shape, Statistics and collaboration of learning this year
- **Science:** Light
- **P.E:** Tennis/ Cricket/Rounders
- **Geography:** Are all settlements the same?
- **DT:** shell structures
- **Music:** glockenspiels
- **R.E: Thematic:** Why do people use creative ways to express their beliefs?
- **PSHE:** Brain buddies, safety, relationships

## Reading at Home

Reading at home is very important for helping children become confident and successful learners. When children read regularly, they improve their vocabulary, understanding and imagination.

We ask that children read **5 times each week** at home. Please make sure that every reading session is **recorded in your child's reading record**.

Each class will be **checking reading records**, and there will be a collective prize for any class that reaches their reading target. This is a fun way to encourage everyone to take part and develop their love of reading.

## Trips / extra activities

- Author visit – week commencing 15<sup>th</sup> June
- Sports day – 19<sup>th</sup> June
- Settlement and land use fieldwork trip to Leatherhead. Chestnut - 22<sup>nd</sup> June Willow – 24<sup>th</sup> June Maple – 26<sup>th</sup> June
- End of year church service

## Year 3 and 4

### Summer 2

Are all settlements the same?

## Vision and values

**“All things are possible for one who believes”**

Respect – cultural/ historical differences

## How can you help?

- **Visit the library** – books about different cities, towns and villages
- **Times Table Practice** – quick recall using TTRS – particularly studio and sound check
- **Geography** – explore the local area. Identify and talk about the difference between cities, towns and villages. Observe how land is being used in the local environment
