

The Aims of the KS2 National Curriculum for Modern Foreign Languages

The curriculum aims to ensure that all pupils:

- understand and respond to spoken and written languages from a variety of authentic resources
- speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation
- can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt
- discover and develop an appreciation of a range of writing in the language studied
