

Dear Parents and Carers,

This week, Year 6 attended their Leavers' Service at Guildford Cathedral. This service happens every June for all Year 6 pupils who attend a school in The Diocese of Guildford (all church schools). Guildford Cathedral is a very impressive cathedral and the children and staff were in awe of the experience! During the service, led by The Rt Revd Andrew Watson (Bishop of Guildford) the children had the opportunity to reflect upon their 'wow moments' in Year 6 and to think about their transition into secondary school. The children came home with mementos of the day including a 'ticket to secondary' and a pipe cleaner person to represent an adult that they wished to thank God for.

FREE Ukulele Lessons!

Surrey music service are offering free ukulele lessons for 6 children (KS2 only) starting this term if possible. They provide the instrument and the taught session which would be in school on a Friday. Please call or speak to the office if you are interested as places are to be offered on a first come first served basis.

Words of the Week

As a school, we have done lots of work with the children on developing their vocabulary. Each week we share our words of the week (linked to our topic and curriculum learning) and unpick what they mean. We use the word in different contexts, find synonyms, act them out, draw pictures and many more strategies to help us to remember them.

Developing children's vocabulary really impacts their speaking skills as well as their reading and writing. Listed below are next week's words of the week so you can discuss these with your children at home!

Words of the week next week:-

Year 5 and Year 6 – Devotion & Prestige

Year 3 and Year 4 – Decibel & Evaluate

Year 1 and Year 2 – Continents & Oceans

Reception – Crown & Defence

Learning in Squirrel Class

This week has been very busy in class! In **maths**, the children have been learning left and right. They have also been learning forwards, backwards, above and below. One of the activities involved describing a grid to their partner and their partner had to draw it out. When it was done the children compared grids!

In **literacy**, some of the children in class listened to Handa's Surprise and acted out parts of the story. The children wrote a sentence about their favourite part and included a conjunction. They ordered events from the story and wrote sentences, using the past tense, explaining what was happening.

In **guided reading** we have been reading a lovely book called 'Chicken in the Kitchen' by Nnedi Okorafor and Mehrdokht Amini. The story is about a brave girl called Anyaugo who finds a chicken in her kitchen in the middle of the night who wants to eat all the food they have been making for the Yam Festival. With the help of the Wood Wit, Anyaugo saves the day. The children really enjoyed finding the Wood Wit hidden in all the pictures!

In **PSHE**, the children learned about how to keep themselves safe in the sun. The children started the lesson by reading a passage with their partner and then working out what we were going to learn about. Children then chose items from a bag and they had to decide if they help or do not help us stay safe in the sun. We all decided that applying sun lotion, drinking water, wearing sunglasses, hats and t-shirts can keep us safe. We also talked about when the sun is at its hottest and how we can avoid this by going inside or sitting in the shade.

In **free-flow** the children have been playing lots of phonics games and reading books in our book corner.

The children have completed their Phonics Screening Checks this week and we are extremely proud of them. We have also been busy rehearsing for our year 1 assembly and we are looking forward to sharing this on Tuesday.

Book recommendations

The children have been sharing their book recommendations this week. Elouise recommends 'The Gruffalo' by Julia Donaldson, "It's a good book to read. I like the ending when Squirrel finds a nut to eat." Ross, recommends 'The Smeds and the Smoos' also by Julia Donaldson. "The ending is great – they have a purple baby!" If you want to find out more about these stories, Elouise and Ross would enjoy talking to you about them.
