Dear Parents and Carers,

Today, we saw a bittersweet moment as we gathered on the stairs to bid farewell to our incredible Year 6 students who are about to embark on a new journey beyond the walls of our primary school. Throughout the years, we have witnessed their growth and development. They have not only achieved academically but also demonstrated exceptional qualities of kindness, resilience, and creativity. Their friendships, laughter, and enthusiasm have left an indelible mark on our school community. Good luck Year 6!

This term has been very busy indeed and we have welcomed many parents and carers into the school for a range of events – sports days, class assemblies, FOLT events and performances to name a few. We thank you for your continued support of the school - as parents and carers you are our biggest advocates! We are hosting an open evening on Wednesday 27<sup>th</sup> September and we'd be very grateful if you could spread the word.

All of the staff wish you and your families a wonderful, fun-filled summer and we will see you back at school on Tuesday 5<sup>th</sup> September for 8.50am – our new, earlier start time.

## Have a Wild Time at the Swan Centre this Summer

This summer, the Swan Centre has organised a trail that will lead people from the shopping centre down to the beautiful River Mole, which is a short 10-minute stroll.

Pick up a trail leaflet at the Stockroom Pop Up Shop to get started, plus a FREE pouch of duck food to feed the ducks when you reach the River Mole. Look out for clues whilst soaking up the summer sun and enjoy the natural beauty Leatherhead has to offer along the way. Complete the trail leaflet and hand it back into the Stockroom Pop Up Shop to be entered into a competition for the chance to WIN an annual family membership for The National Trust.

The summer fun doesn't stop there though. On the first three Wednesdays in August, the Swan Centre will be hosting a spectacular series of Wind in the Willows inspired events.

From 11am – 3pm each day, come along to meet Toad, Badger and Mole (one character per day at intervals) and create some wonderfully wild crafts to take home. You can also decorate your very own sailboat (limited while stocks last), which have been handmade out of reclaimed wooden pallets by members of the Swan Centre team.

On all three event days, local poet, Mark Barnes, will join the Swan Centre to bring to life chapters from the Wind in the Willows story.

There will also be magnificent Magic Shows on each date with Ritchie Rosson AND a spectacular Sailboat Selfie Spot where you can have your photos taken.
