Geography: continents and oceans and comparing weather patterns in the United Kingdom to countries on the Equator and the North and South Poles.

Music: high or low

French: Comptines et chansons (nursery rhymes and songs)

Computing: coding

R.E.: What is important for Muslim families?

PSHE: relationships

Vision and values

"All things are possible for one who believes"

Trips / extra activities

Were you born or have family who live in another country? We would like to invite you in and speak to the children.

Year 1 Summer Term 1 The World

Key Vocabulary

Week 1: continent and Europe

Week 2: oceans and sturdy

Week 3: equator and Islam

Week 4: coding and Spring

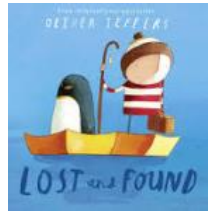

Week 5: sculpture and algorithm

Week 6: Quran and moulding

How can you help?

Reading – reading at home daily – books in book bag and Oxford Online

Visit the library – look for books written by Oliver Jeffers (our author of the term)

The World– discussing continents. What is a continent? Which continent do we live in? What is an ocean? What is the Equator and where is it? Compare weather patterns in the UK, South and North Poles and countries on the Equator.

Numbots – an online platform designed to help develop math skills.

Purplemash – can you login into Purplemash and can you make characters move in a 2Code program?

Sculptures – can you spot any sculptures when you are out and about? Can you find this sculpture in Leatherhead?
