

Dear Parents and Carers,

This week, Year 6 performed their class assembly to parents and carers. The children shared their experiences at PGL and encouraged everyone to sing 'repeat after me songs'. Even Mrs Gray and a group of pupils had a go at a physical challenge! All other year groups will be sharing their learning in class assemblies across the year – please keep an eye out for future dates. In the meantime, please do have a look at the class pages on the school website, and follow us on Facebook and Instagram, to get updates on your child's class learning.

Thank you to all parents and carers who contributed to the school Christmas Fair today (arranged by FOLT) by sending in donations in return for the children wearing mufti. The Friends of Leatherhead Trinity are a fantastic body of parents who work tirelessly to fund raise for the school. They have an extensive programme of events, including a new Christmas shopping event for the children, called Elfridges, so please do read their weekly newsletter.

## Language for this Half Term

# HUNGARIAN

Each half term we have a new language to learn and this term it is Hungarian. We have an informative video on our website with words and phrases for you to learn at home

<https://www.leatherheadtrinity.surrey.sch.uk/modern-foreign-languages/>

How many of these phrases can you use? Can you teach your family and friends some new expressions?

Remember to participate in our project linked to this language or any cultural aspect of places where it is spoken.

You might be one of our winners at the end of this half term!

## Words of the Week

Vocabulary!

As a school, we have done lots of work with the children on developing their vocabulary. Each week we share our words of the week (linked to our topic and curriculum learning) and unpick what they mean. We use the word in different contexts, find synonyms, act them out, draw pictures and many more strategies to help us to remember them.

Developing children's vocabulary really impacts their speaking skills as well as their reading and writing. Listed below are next week's words of the week so you can discuss these with your children at home!

### Words of the week next week:-

Year 5 and Year 6 – Dictator and Trachea  
Year 3 and Year 4 – Respiration and Reproduction  
Year 1 and Year 2 – Community and Paramedic  
Reception – Easter and Birthday

## Resources for reducing conflict between parents

### Between Us App

Surrey County Council have purchased licences for parents and practitioners to have access to the Between Us App.

Between Us is an app designed to help parents have a better relationship with their partner now or in the future. The app provides individuals and couples with a range of exercises, tips, videos, and information, to help understand your relationship better and improve it.

Parents need to make a request to be granted an account to access the App.

### One Plus One

Parents in Surrey have access to three online resources that have been developed by One Plus One to help parents understand the impact of their arguments on their children, and learn techniques to communicate better, handle stress, and manage conflict more constructively.

- **Me, You and Baby Too**

Me, You and Baby Too helps new and expectant parents adapt to the changes that parenthood can have on their relationship, while raising awareness of the impact of stress and conflict on their baby. Parents completing this course will develop the skills to manage their conflict more constructively.

- **Arguing better**

Arguing better helps raise awareness of parental conflict and its impact on children. It gives parents the skills to cope with stress together and manage their conflict more constructively.

- **Getting it Right for Children**

Getting it right for children support separating parents to see how they are putting their children in the middle of their conflict. It helps parents to develop positive communication skills, so that they can parent effectively together.

To register you will need select Surrey from the Southern England map and then follow the instructions to create an account
