

Welcome to our
Nursery

Leatherhead Trinity School
and Nursery

Butterfly Class

Mark Making areas

The children are given plenty opportunities for mark-making at Nursery providing them with the opportunities to develop skills which will support them in their writing later on in their school journey.

We love exploring making our marks in messy play and outside in our Nursery playground.

Our Reading Corner

Our cosy fireplace is a terrific area to discover our favourite stories!

In this area the children are provided with soft toys and puppets to act out stories- developing their imagination.

Art Area

“Every child is an artist!”

It is here where the children can explore their creative side with access to junk modelling, art activities and a paint easel.

Sensory area

- Our Sensory area is within the Nursery and offers the children a safe and calming space when the fun of Nursery becomes too much!
